

Obtaining Logon IDs for Employer Record System (ERS) Training

I have had a tremendous response to my message from earlier today regarding ERS training sessions this fall.

If you or your staff will be signing up for ERS training, and you don't yet have an ERS Logon ID, please apply for one NOW. Each person attending training must have his or her own Logon ID for the Employer Record System. The instructions for applying for an ERS Logon ID can be found in the ERS manual at this link:
