Important! Seasonal/Touchscreen/Internet JobNet Changes

We were just notified that the change listed below did not move over the weekend. However, it is moving tonight, so look for it tomorrow morning. Sorry for the confusion.

Changes that went into production on Saturday, June 7, 2003:

Number of Openings Displayed in JobNet

The number of job openings is listed below the 'Shift/Work Days:' field in Seasonal, Internet, and Touchscreen JobNet. It is also displayed in Preview mode on the job order in WJOS.
