

New Data Warehouse Job Orders Report Available

A new Job Center Systems Data Warehouse report, JCS Report #78 - Job Orders Report, is now available. Users will be prompted to select the county(ies) and month(s) they want covered by the report. The report contains statistics and data about job orders, job openings and wages.

The report can be sorted using the tabs along the bottom of the screen. The "Open Job Orders" options give you a month-by-month report (each month's data listed separately). The "Summary Report" options give you a rolled-up report (all data added together for the months selected).

Report Month: 72. June 2007  
Site County: Bayfield
