By using the Microsoft Office Live Meeting service you agree that at any time during this meeting any presenter may initiate the recording function, which will result in your conversation and communications being recorded and logged by Office Live Meeting. If you do not agree to recording, please exit Microsoft Office Live Meeting.

Click on the View icon. It will take several seconds (perhaps a minute or more) for the presentation to download. The presentation will begin playing automatically once it is downloaded. You will need to have the volume on on your computer in order to hear the audio portion of the presentation.

**NOTE:** You will need Windows Media Player 9 (or better) and a 128 Kbps (high speed) in order to view the archive. Windows Media Player 9 can display all aspects of a meeting including live demonstrations. Media Player 9 is available from the Microsoft web site at: <http://www.microsoft.com/windows/windowsmedia/9series/player.aspx>

Use the controls in the lower left corner of the display screen to start and stop the presentation. To skip ahead in the presentation, use the slide bar (circled in blue, below).
