Job Center of Wisconsin Education is Ready!

The education environment for Job Center of Wisconsin is ready to go! Job Center staff can go in and try out the website.

Please go to <https://education.jobcenterofwisconsin.com/default.aspx?> to access the education environment.

We have a couple of attachments to help you become familiar with the site. The [Education Environment Training Outline](#) can be used as a guide to checking out the features of the website. The [Hands-on Practice Exercises](#) take you step-by-step through the processes of "Set up an account" (creating an Active Directory account), "Register for Services/Update" (creating an Active Directory account, then a Title 3 registration), and "Create/Update a Resume".

Unfortunately, you will not be able to login as an employer to check out the "Search for Candidates" feature for employers. We will demonstrate that in detail on Friday during the WisLine Web.
