Job Center of Wisconsin Change

Within the last few minutes a change was made to increase the font size on printed job orders. The font size is now the same as job orders printed from JobNet 3.0.

The font size was smaller on job orders printed from Job Center of Wisconsin in response to Job Centers who wanted most job orders to print on one page to conserve resources. To accomplish that, the font size was made smaller. As stated above, that decision has been reversed.
