Status of CareerBuilder.com

Several people have inquired whether DWD is still blocking CareerBuilder.com. The answer is "yes".

On Thursday afternoon, October 9th, DWD sent detailed information to a security person at CareerBuilder.com about what we found on their site. On Monday, October 13th, DWD received a response from CareerBuilder that their Trust and Site Security team is aware of the issue and is investigating. They will let us know as soon as they get to the bottom of it.

We will notify you when the site is no longer blocked, and safe to visit.
