

# KICKSTART YOUR FUTURE

**Ages 16 to 24**

## Info Sessions

**Ready to kickstart your future in a high-demand career or boost your skills?** Join us for any upcoming info session to see how the Workforce Innovation & Opportunity Act (WIOA) Youth Program and other Forward Careers employment and training programs can help you achieve your goals!

- **Education & Training:** Access financial assistance for college, vocational programs, and specialized training that leads to certifications or degrees in high-demand industries and occupations.
- **Work-Based Learning:** Gain hands-on experience through paid internships and work placements that help you build a strong resume.
- **On-the-Job Training (OJT):** Earn while you learn by working directly with employers, gaining the skills you need for long-term success.
- **Supportive Services:** Receive assistance with transportation, childcare, and other resources to help you stay focused on your goals.
- **Books, Supplies, and Gear:** Get coverage for textbooks, tools, uniforms, and equipment required for your education or job.
