It is the policy of the Postal Service that all employees and applicants for employment be afforded equal opportunities in employment without regard to race, color, sex (including pregnancy, sexual orientation, and gender identity, including transgender status), national origin, religion, age (40 or over), genetic information, disability, or retaliation for engaging in an EEO-protected activity. As part of its program of equal employment opportunity, the Postal Service prohibits discrimination or harassment based on any of these categories. In addition, it is also the policy of the Postal Service to prohibit discrimination or harassment based on marital status; status as a parent; and past, present, or future military service. All employees must refrain from practicing or tolerating discrimination or harassment. Employees found to have taken actions that violate this policy and our country's EEO laws may be subject to corrective action up to and including removal from the Postal Service. All of us, executives, managers, supervisors, and employees, share in the responsibility for successfully incorporating the Postal Service's policy on equal employment opportunity in every aspect of our duties and complying with this country's EEO laws.
